*An agency may split up a source of match/leverage among more than one project. For example, if an agency receives \$10,000 in private donations that it wants to use as match for Project A and Project B, it may divide this \$10,000 up as \$6,000 for Project A and \$4,000 for Project B. An agency may not, however, use the total amount of this source for each project (ie, it may not use all of the \$10,000 as match for Project A and all of the \$10,000 as match for Project B). The Rating and Ranking Committee will be reviewing the matching and leveraging sources across all of an agency’s project applications to ensure no one source is used in total as match/leverage for more than one project.

Leverage Chart

In the chart below, identify the sources of leverage for this project. Applicants may add more lines to the table if needed. Applicants that are able to demonstrate leverage in the amount of at least 200% of their budget request will receive more points.

Applicants should only include leverage for which they have a written commitment at the time of application. The Cumberland/Allegany County CoC is requiring these written commitments to be submitted with the project application. If selected for funding, these written commitments will need to be uploaded into eSNAPS with the project application.

It is understood that details on the criteria and process for which my agency may submit an appeal to the Cumberland/Allegany County CoC Board are found in the Appeals Policy (attached), and that any appeals decisions made by the Cumberland/Allegany County CoC Board will be final.
- 6) It is understood that renewal and new projects will be submitted to HUD in accordance with the FY2017 Project Ranking Policies and that such project ranking decisions are final.
- 7) It is understood that should the Cumberland/Allegany County CoC Board decide to reallocate a renewal project in part or in whole to fund new project(s), such a decision is final and cannot be appealed to the Cumberland/Allegany County CoC Board.
- 8) It is understood that the Cumberland/Allegany County CoC Board is responsible for making decisions on which new and renewal projects are submitted to HUD each year as part of the annual CoC competition, and that the ultimate decision in whether or not a project is funded is made by HUD. It is further understood that 24 CFR §578.35 describes certain situations in which an agency may submit an appeal directly to HUD. It is agreed that the submission of an appeal to HUD, in accordance with HUD's policies and procedures, is the final recourse that may be taken for the project.
